

SSS SUMMER SCHOOL 2020

NOVEMBER 5-6

L'evento Summer School 2020, nasce in virtù della collaborazione tra la SIU, Società Italiana di Urologia e l' AUA, American Urological Association. Tale evento di tre giorni è destinato esclusivamente a urologi in formazione, soci SIU e comprenderà sessioni scientifiche focalizzate sui seguenti temi: fisiopatologia dei disturbi delle basse vie urinarie, comprensione e utilizzo della moderna farmacoterapia per la gestione dei disturbi delle basse vie urinarie legate alla iperplasia prostatica benigna; soluzioni tradizionali e alternative innovative nella gestione chirurgia dei disturbi delle basse vie urinarie legate alla iperplasia prostatica benigna.

La presenza di una Faculty internazionale rende questo evento un momento di confronto e stimolo di crescita per i 100 giovani medici coinvolti.
